## 2011-2012 Costume Form

Dear Students and Parents,

Although it is only October, preparations are beginning for our spring recital. Dance is a performing art and performance is considered essential even at the beginning level. Students look forward to the recital with excitement and anticipation. They look back upon it with pride and a sense of accomplishment. The staff of this studio makes every effort to create a professional attitude towards performance.

We encourage all students to participate, however, we realize that dancing in a recital is a commitment of time and money and no one is required to participate. There are two performances. Creative Movement, Beginning, Adv Beginning, Pre Jazz, Tap III and Primary I, II and III classes are in one performance for the recital. All other classes are in both performances for the recital. **Students may not be in a recital dance for a class unless they have tested into the Cecchetti levels listed under the class or they have received both owner and teacher permission.**

This recital will be our studio's thirty-fifth recital! The recital theme is **"Games"**

Please fill out a costume form for each class. Fill out all parts of the form completely and accurately. The studio is **NOT** responsible for any adjustments to costumes due to parent error. Any alterations are the responsibility of the parent. Turn in your costume fee along with the forms by **Saturday, November 19, 2011**. There is a late fee of \$5.00 per costume, per week for any forms that are received after this date. Students that change or add a class after January 1, 2012 will be required to pay an additional \$20 for costumes to be ordered.

We spend many hours determining the correct costume for each class. They are always age-appropriate. All students will need one costume for each class they are performing in. Tights and shoes are not included in the price of the costume. In an effort to ensure that costumes are delivered in time for studio photographs and for organized distribution to our students, costume forms are due November 19<sup>th</sup>, 2011. Costume manufacturers do not accept cancellations or offer refunds. Therefore, Ann Parsley School of Dance does not refund costume fees. Costumes cannot be ordered unless the deposit is paid for in full. We recommend that your child's name be placed in all costumes, shoes, accessories and tights.

Thanks for Dancing with Us!

- We are not responsible if measurements are not listed properly.
- The MOST IMPORTANT measurement is the GIRTH (tape measure MUST be taken around the entire body - not half). To measure for girth, have students raise their arms (to adjust for growth which may occur before June) to be sure costume will be long enough while dancing.
- Do not fail to give all required measurements.
- Please do not ask the instructor or office to measure your child.
- It is suggested that you measure to allow room for growing.
- The studio is not responsible for any adjustments to costumes due to parent error.
- Any alterations needed on costumes are the responsibility of the parent.
- Payment is a deposit only. In some cases, there may be a balance on costumes at the end of the year.
